

2011 School Bus Driver of the Year Award

In recognition of School Bus Safety Week, the **Nova Scotia Federation of Home and School Associations** is pleased to present the School Bus Driver of the Year Award for 2011.

This award will recognize school bus drivers in Nova Scotia for their service in keeping our students safe as they travel to and from school each day.

Our school bus drivers are professionally trained individuals who transport our children in a safe manner. They are often the first person representing the school that the students will meet each day and the last at the end of the day. The school bus driver plays a vital role in our education system and the **Nova Scotia Federation of Home and School Associations** is pleased to recognize an outstanding individual for his/her service and dedication to the safety of our children.

Parents, students and staff are invited to submit nominations for the School Bus Driver of the Year Award. Please use the nomination form below and include any supporting letters from others on why this individual is deserving of this award. One award will be presented, but all school bus drivers nominated will be recognized.
